@Webinar: *Does „Equal“ mean „Better“?* 12.01.2021 (17-19 CET)

Contributors: Atie Kashef, Dr. habil. Haibo Ruan

Who are we?

- Founded in 2016
- Currently 7 board members
- Over 300 members
- 3 local groups: Dresden, Leipzig, Tübingen
- 4 “I, Scientist” conferences

LISE MEITNER

1878 – 1968

At the age of 17, Lise Meitner was the first woman to be admitted to the University of Vienna. She studied physics and mathematics and was awarded a doctorate in 1903.

Lise Meitner was a pioneer in the field of nuclear physics. She discovered the process of nuclear fission, which led to the development of nuclear energy and atomic bombs.

Our mission

- Remove gender related biases that exist in society
- Work towards equal opportunities in the scientific fields
- Encourage everyone to confidently define and follow their own goals

Our projects

- LMG Groups
- LMG Blog
- Workshops
 - Leadership Attitude Training 2021
 - Design Thinking Workshops 2021
- I, Scientist
